DG | DENIS GEORGIEV

Software Engineer

PROFILE

Motivated computer technologies graduate from University of Roehampton with 2 years of non-commercial experience in using MERN stack technologies for projects that can be found in my GitHub account below. Multiple times project leader in group university projects involving mobile application development, web application development, data science and cyber security. Seeking to implement skills in JavaScript, Node.js, Express.js, React.js and MongoDB to provide value and meet business needs.
